

FLS TRAINER BOX, ACCESSORIES SOLD BY LIMBS & THINGS: FREQUENTLY ASKED QUESTIONS

What is Limbs & Things?

Limbs & Things, Inc., (LTI) designs and manufactures quality medical training products for healthcare professionals, allowing clinical educators to successfully deliver their curriculum requirements for physical examination and procedural skills. To learn more about LTI, please visit www.limbsandthings.com.

What is the new version of the Trainer Box like?

LTI manufactures the FLS Trainer Boxes with an updated look and some refinements making the box easier to assemble and repair. The pertinent parameters and dimensions of the box remain the same as previous versions. All LTI-manufactured accessories and supplies will be comparable to previous versions of FLS products and compatible with existing FLS systems.

Will I still be able to use my older FLS Trainer Box I purchased previously? Do I have to buy a new box through LTI?

Yes, you will still be able to use FLS trainer boxes purchased previously. All new FLS Trainer Boxes may be ordered from LTI through their special FLS website at www.fls-products.com.

Can I still use the accessories and disposables I purchased previously? Will I have to buy new products through LTI?

Yes, the FLS accessories (gauze, foam organs and penrose drains) you have on hand are still acceptable for use. Additional FLS accessories, consumable supplies and related products may be ordered from LTI through their special FLS website at www.fls-products.com.

Will the FLS skills test be different on the LTI Trainer Box?

The pertinent parameters, dimensions and accessories of the FLS Trainer System will remain the same, and there will be no advantage or disadvantage to taking the skills test on the new version of the Trainer Box. Skills test tasks and scoring will not be affected.

Do I have to purchase FLS vouchers and online didactics through LTI as well?

No, you will still purchase FLS test vouchers and online didactic access through the SAGES FLS program office. For more information, please visit www.flsprogram.org or call (310) 437-0544, ext. 137.

Can I get replacement parts for my older FLS Trainer Boxes?

Replacement FLS suture blocks, dexterity pegboards and jumbo clips that are compatible with the previous version of the Trainer Box may be purchased from www.fls-products.com. LTI has a limited supply of the white pvc/Velcro backed simulated skin that fits the previous FLS box. This product is only available as a special order by calling Customer Service at 866-465-4627.

Who can I contact regarding this change in FLS products?

If you have additional questions concerning the transition to LTI, or the new version of the FLS Trainer Box, please contact Carla Bryant, FLS Program Director, at Carla@flsprogram.org.
